

Dear Friends,

I pray that your week is off to a blessed start! May God fill your lives with health, joy and overflowing love this week!

This summer weeks has really raced by for my family! Just yesterday, the kids began their annual "Back to School" shopping extravaganza. Honestly, I have mixed feelings watching my eldest child move from crayons to graphing calculators. It fills me with gratitude and pride to know she's taking her math skills farther than me, but it also means that she will in the looming future embark on a grand new adventure. Time with our young loved ones is so fleeting.

At the same time, we at Trinity are blessed to raise a new generation of Disciples! Yesterday, during worship, our Sunday School kids serenaded our newest member by singing "This Little Light of Mine" just after her baptism.

God is doing amazing things at Trinity, especially with our young people!

Starting this Sunday, we will begin our new Sunday School season with a new pattern: We are excited to offer our kids 3 levels of care and teaching.

- We have a **nursery** for children 6 months to 3 years old,
- A **level one** class for children ages 4 - 6 years old
- And a **level 2** class for children ages 7 - 12 years old.

Our teachers and staff are preparing the rooms and are excited about a fresh new beginning. Thanks to all who are devoting their time, talent and treasure to this divine and joyful work!

An exciting addition to the new school year is our children's music program. We will begin each Sunday morning in the fellowship hall with music! Parents are asked to sign their children **upon arriving in the fellowship hall**.

This is an exciting new season of ministry at Trinity! Please keep all our families, volunteers and staff in your prayers!

"May mercy, peace, and love be yours in abundance." - Jude
