

Dear Friends,

I pray that your week is off to a great start!
May God bless you with peace, love and joy this week!

Many thanks to all of you who participated in our Blessings in a Bag "Back to School" provisions drive this month!
Just look at the mountain of supplies we've gathered so far!
Truly God is working through the People of Trinity UMC of Jensen Beach!

I recently learned that as our new school year begins, requests for weekend food supplies JUMPED from 60 bags last year to **166** bags this semester! That's an incredible increase in the needs of our local community!
As we can, let's please keep the supplies coming for the next few weeks!

I am grateful and proud to serve God alongside such faithful generous people who respond in times of need. As I mentioned in my sermon yesterday, you all embody the example of the early Church in Acts, especially in Antioch, where, by the way, the moniker "Christian" first arose!

Thank you always! Keep up the faithful work!

"May mercy, peace, and love be yours in abundance." - Jude
