

Dear Friends,

Thanks and blessings to all of you who supported me, cheered me on, and nudged me forward in my ordination process! Yesterday's moments were a long time in coming. I will remember them always with great fondness. I am especially grateful to receive my orders under Bishop Kenneth Carter, who assumed leadership of our Conference during my first year of ministry in Florida. We have a great many faithful, dedicated, and inspiring leaders in our Bishop, our District Superintendents, (especially our DS Dionne Hammond!), our clergy, and conference lay leaders I've come to know and love over the years. I'm overjoyed to have a home here in our Florida Annual Conference!

And so begins a new chapter at Trinity United Methodist Church of Jensen Beach. I am excited to see what the Holy Spirit brings to us this year! Here's a special preview: This Sunday, Trinity will welcome at least 12 new members during our Services! This may be the most members we've welcomed at one time in quite some time! In the year following a pandemic, and in the midst of a rapidly changing nation and world, this is some really great news! Let's keep Trinity going and growing!

May the Peace of Christ be with you all!

Blessings,

**REVEREND Anil K. Singh :-)**
