

Dear Friends,

I pray this message finds you all healthy in Body, Mind and Spirit! God loves you in all times and places! Thank you for your continuing prayers as my family approaches the tail-end of our time of isolation.

Just a quick update on our situation at home: Everyone is feeling OK. If things go as we hope, pray and plan, our kids should be back in school by the middle of this week. If this happens, then we can look forward to my return to Trinity on Sunday, September 26. If anything else happens, I will send updates.  
Please continue to pray for us!

Please scroll down for a look at the new roof over our Fellowship Hall! Wow! What an awesome sight! God is really making all things new at Trinity! Thanks so much to all our Church Leaders for guiding us to a renewed campus!

Great things are happening at Trinity! Please have a look at some of the events taking place in the coming week. If you'd like to find out about making (or reaffirming) your commitment to Christ, and becoming a member at Trinity, please contact me at [singh@trinityjb.org](mailto:singh@trinityjb.org) or call 772-334-3404 to schedule some time with me. Take the next step on your path in God's Kingdom!

Thanks and blessings,  
Anil
