

PASTOR'S MESSAGE

"But there are also many other things that Jesus did; if every one of them were written down, I suppose that the world itself could not contain the books that would be written." - John 21:25

Dear Friends,

Christ is Risen! Christ is Risen Indeed!

What a joyful celebration of Christ's Resurrection it was on Sunday!

Thanks a million times over to everyone who made our Easter services such memorable experiences!

Thank you also for a great season of worship, learning, and service to our community! In a time of national decline in faith participation, Trinity is growing against the curve!

Let's keep the faith and keep going!

As we move from winter to spring and then into summer, let's hold this final verse from John's Gospel in our minds: The salvation story between God and humanity doesn't end there or with any of the Gospels. There is always something more to learn, something we haven't seen, people we haven't yet met, and new ministries to envision and undertake.

There is a world out there that God will transform through us!

Basking in the light of our reunion with Christ, let us take our well-deserved rest. But once recharged, let's remember that God's Old Redemption Story continues with us! Our brand new Adventure in Christ awaits!

"May mercy, peace, and love be yours in abundance." - Jude
