

PASTOR'S MESSAGE

"I give thanks to you, O Lord my God, with my whole heart, and I will glorify your name forever." - Psalm 86:12

Dear Friends,

I pray you all enjoy great health in Body, Mind, and Spirit!
May the Lord bless you with love and joy this Thanksgiving week!

In my sermon yesterday, we learned about how gratitude is a choice - we can live out our days giving thanks for all our blessings, or we can take our blessings for granted. The latter will likely lead us to feel cynical or jaded about life, because disappointments come part and parcel with blessings.

But the former will more likely lead us to look on our lives with contentment and joy, because if we choose gratitude, we learn to look and wonder at every point of light in the night sky! We find little blessings everywhere. Develop a practice of gratitude, and see how it impacts your outlook on life!

I, for one, am so grateful for all of you. The People of Trinity United Methodist Church of Jensen Beach are among the most faithful, loving and dedicated people I've ever met. God has blessed us with such great people, and I thank God for each and every one of you!

I pray that this Thanksgiving Week brings you joy upon joy! And if an occasion arises when you can show your appreciation for someone else - maybe someone who hasn't heard this from you in a while - I pray that you will rise to the occasion! A word of thanks can change the world!

Happy Thanksgiving, everyone!

"May mercy, peace, and love be yours in abundance." - Jude
