

Name: _____

Hello, Honey Bees!

Let's learn about our busy, buzzy friends!

1 What Does a Bee Look Like?

Bees have yellow and black stripes, wings to fly, and legs that carry pollen!

2 Where Do Bees Live?

Bees live in a hive! Beekeepers care for them in a special box. Inside is a big family with a queen, workers, and drones!

3 What Do Bees Do?

Bees visit flowers to collect nectar and help plants grow. This is called pollination!

4 What Do Bees Help Grow?

Thanks to bees, we get yummy foods like apples, strawberries, and pumpkins!

5 Honey Time!

Bees turn nectar into honey. It's sweet, sticky, and yummy!

6 Are Bees Nice?

Bees are gentle and buzzy. Stay calm, don't swat, and watch quietly.

7 How Can We Help Bees?

Plant flowers, let flowers grow, and be kind to nature!

8 Let's Be Bee Friends!

We can help bees, and bees help us! Thank you, bees!

Thank You, Bees!

YOU ARE AMAZING!

Buzz together one more time!

BUZZZZZZZZ!
