

How to add a shortcut for the RVGC website to an iPhone Home Screen

- Open Safari on your phone. 
- Navigate to the desired website: rivervalleygardenclub.net
- Tap the Go To icon that appears at the bottom of the screen. 
- Select **Add to Home Screen**.
- The shortcut to the website will now appear as an icon on your home screen.

How to add a shortcut for the RVGC website to an Android Home Screen

- On your phone, go to **RiverValleyGardenClub.net**
- **Chrome** browser: in the upper right hand corner, there is a "dot menu" (three vertical squares). About 2/3 of the way down on that menu you'll see "Add to Home Screen," which will create a bookmark on your device's home screen.
- **Samsung** browser: using your finger, pull the screen down to exit the full-screen mode. From the three-dot menu in the upper right corner, choose "Add Shortcut on Homescreen."
