

GFL Leadership Values Lotus Template

<p style="text-align: center;"><u>Personal Values</u></p> <p>What personal ethics guide your work with others? How do you work best? What sorts of relationships do you build with your constituents?</p>	<p style="text-align: center;"><u>Constancy of Purpose</u></p> <p>What are your overarching goals as a school leader? What do you want to accomplish for your school, for the students, and for the community? What are you focused on that is larger than the day-to-day minutia of running the school?</p>	<p style="text-align: center;"><u>Pedagogical Values</u></p> <p>What does good teaching look like to you? How do students learn best and what does this mean for instruction in the classroom? What sorts of experiences should the students be having in your school?</p>
<p style="text-align: center;"><u>Professional Influences</u></p> <p>Who are the educational thinkers that inspire you? Why are these thinkers important to you and how does their work support other aspects of this lotus diagram?</p>	<p>Educational Leader Statements of Philosophy: Leadership and Education</p>	<p style="text-align: center;"><u>What is Learning?</u></p> <p>In one complete sentence, write a personal definition of learning.</p>
<p style="text-align: center;"><u>Joyful Personal Learning Experiences</u></p> <p>School should be a joyful place, what are the 3-5 most joyful learning experiences in your life that will remind you of the good feelings that come from great learning?</p>	<p style="text-align: center;"><u>Commitment to Learners</u></p> <p>What can learners expect from you? Is everyone a learner in your school? If you wrote a "bill of rights" for the learners in your school, what would that look like?</p>	<p style="text-align: center;"><u>Leadership Values</u></p> <p>How do you get things done? What systems do you employ? How do you organize things in such a way that accomplishes your mission and the school's mission on a day-to-day basis?</p>
