However, you may provide your own treats. **Please no rawhides.** If you bring them we will not give them to your dog(s).

Oral or topical medication can be administered. We **Do Not** give injectable medication. We use peanut butter to give all oral medication. If your dog is allergic to peanut butter please provide something to wrap your dog's pills in.

We accept dogs with stitches, cones, bandages, casts, and splints. They will be brought outside on a leash and will not be playing with the other dogs that we have boarding.

If your dog displays any negative behavior during his stay he will be quarantined in his sleep area away from the other boarders for the duration of his stay. He will be let out into the yard 3 times per day for potty only and will not be allowed to interact or play. If your dog is quarantined he/she **WILL NOT** be accepted back for boarding or daycare. If your dog gets ill or needs to see a veterinarian, we will contact you immediately. If you are unreachable we will contact your emergency contact to assist in decision making. We will contact your vet also. If your vet is unavailable we will use our vet or any vet available to assist us.
