# PATENT PENDING: CUSTOM TINCTURE BAR

## Imagine A Custom Tincture

Native Ceuticals has developed a brand new fully customized patent-pending process designed to formulate a 100% custom tincture made up of a unique and personalized blend of distillates, isolates and terpenes creating the best solution for each individual's needs. Our team will either ship your custom formulation directly to your door or hand it off to you on-site at a participating Native Ceuticals location. This is a custom blended & personalized product that is made specific for you.

Custom Tinctures

CBC, CBD,  
And CBG  
— With or  
Without THC  
High Margins
