INSTRUCTIONS

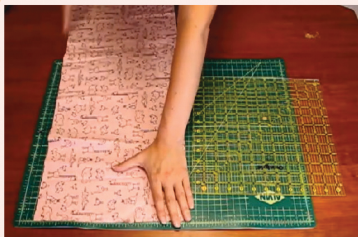

## FIRST FABRIC 1 yard

This fabric is for the pocket. **Iron fabric first.**

Selvage edges together and even sides - cut as needed.

Measure 12" and cut fabric until entire piece is cut.

One one of the pieces press small hem on one edge - double over - iron again - then sew straight stitch.

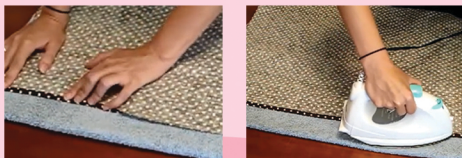

## SECOND FABRIC 1 yard

This fabric is for the pillowcase.

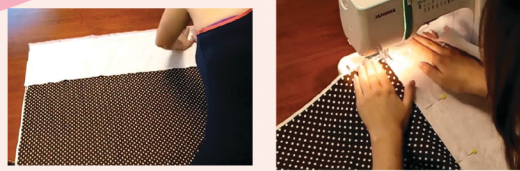

**Iron fabric first.**

Selvage edges together and even sides - cut as needed.

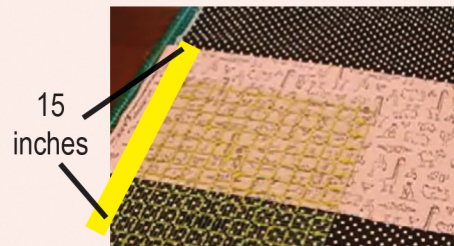

On each long side press small hem - double hem over - iron again - then sew.

Take first and second fabric with right sides together and match hemmed edges at the top - sew raw edge all the way across the joined fabric pieces.

Bring sewn edge down from seam.

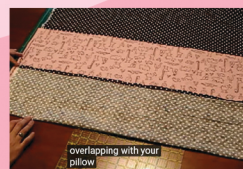

Measure 15 inches from seamline down - adjusting fabric as you go.

Fold the bottom of the second fabric and fold up all the way across the 15" measure.

Then take top of second fabric and fold down to seamed edge.

Even up selvage.

Then cut 10 1/2 " all the way across the folded fabric.

Will yield 3-4 cuts/pillowcases.

Zig zag each cut edge w/narrow 1/4" seam - **iron again.**

Turn right side out - poke corners and **iron pillow again.**
