International Outreach

Jamaica:

As a result of Hurricane Melissa, there is an urgent need in Jamaica for all types of assistance. White Oak Ministries will be passing the offerings plate on Mission Sunday, November 9 to provide financial assistance to the peoples of Jamaica. Any and all monies collected will be sent from our generous congregation here in Fredericksburg to the Global Missions Ministries. They are the missions department in our parent organization, Church of God of Prophecy. Global Missions will then work with the Bishop in Jamaica to see that the funds are distributed as they see fit since they are on the ground there and can see what the most immediate needs are.

The International Assembly reported in 2024 that there are 299 COGOP affiliated churches in Jamaica with 28,330 members. The damage is still being assessed but is obviously severe. Sister Joy is in touch with the COGOP Global Missions Ministries and will keep us all updated on the status and progress of the operations. The images below illustrate just one of the many churches destroyed.

Sierra Leone:

COGOP Harvest Partners

Harvest Partners is the department that facilitates the spiritual, relational, and financial connections between churches and other nations in the global network.

Mission Giving offerings are our first level of support. These essential funds provide our missionaries and church leaders with the supplies and services required to conduct daily operations. Sierra Leone needs our prayers and financial support.

Missions Newsletter

Uganda:

COGOP One Child Fund (Church/Personal Giving)

One Child Fund is the ministry that allows churches and individual donors to support the Church of God of Prophecy orphanage ministry in thirteen nations. They minister to the children by providing food, clothing and education.

*** Please indicate on your tithing envelope under Missions, where and how you would like your money to be distributed amongst any or all of the following: Jamaica, Sierra Leone, or One Child Fund in Uganda.

Local Outreach

Hope House:

Loisann's Hope House is the Fredericksburg region's oldest and largest family homeless shelter.

- Thanksgiving Breakfast: Our church will be providing food for thanksgiving breakfast to the Hope House. A \$5 offering will feed ten families a good breakfast Thanksgiving morning and beyond.
- Bed in a Bag / Towel Project: Our generous congregation has already supplied two sets to the Hope House!! Praise God!
- Christmas Stockings: Sisters Freda and Beau are making stockings for every person staying in the Hope House. So let's join together and fill those stockings! They currently need items that will fit in the stockings. Items needed are for all ages.
