

CASO Off-Hours Volunteer Phone Training

There are many ways to make sure that someone is on the line when an alcoholic reaches out for help even when the CASO offices are closed.

This one hour training will prepare you to take a phone shift that works with your schedule.

As Dr. Bob said, the program of Alcoholics Anonymous can be summed up in two words: Love & Service.

The service of being a phone volunteer may result in helping save the life of a suffering alcoholic.

Next Training Dates:

- ★ **Saturday, March 28th at 4:00 p.m.**
- ★ **Sunday, April 19th at 4:00 p.m.**

The training will be held via Zoom.
