Debbie Read Traditions 1, 2, 9 and 12.

1. Our common welfare should come first; personal recovery depends upon AA Unity.
2. For our group purpose there is but one ultimate authority – a loving God as He may express himself in our group conscience. Our leaders are but trusted servants; they do not govern.
9. A.A., as such, ought never be organized; but we may create service boards directly responsible to those they serve.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

Concepts 1 and 12 were read by Paul

1. Final responsibility and ultimate authority for AA World Service should always reside in the collective conscience of our fellowship.
12. The conference shall observe the spirit of the AA tradition taking care that it never becomes the seat of perilous wealth our power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government; that, like the society it serves, it will always remain democratic in thought and action.
