

Light Up the Winter Night for COTWLC

Saturday, December 13, 2025

4:30-7:30

Please be a part of this magical evening! In addition to beautiful trees, our annual fundraiser will include multicultural musical performances, food, kids' activities, and a silent auction. There are two ways to sponsor; through our traditional tree decorating contest, and through general sponsorship. All proceeds support students and programming at Children of the World Learning Center.

Tree Sponsor

\$250

Supports hand-on learning experiences in the classroom and community.

How Tree Sponsorship Works:

1. Contribute \$250 to COTW. Make your payment by check to Children of the World Learning Center (Mail to: 6030 Albemarle Road, Charlotte, NC 28212) or online at this link: www.childrenoftheworldlearningcenter.org/sponsor. Please leave your business name in the comment section.
2. Email your business/organizational logo as well as a description of your business/organization (if applicable) to jilljhenley@hotmail.com.
3. Get your creative juices flowing to come up with a tree design! You can decorate your tree to advertise your business, recognize a non-profit organization, honor or memorialize a loved one, or simply have fun!
4. Come to Central United Methodist Church (6030 Albemarle Road) during the week of December 8-12 to decorate your tree. We will contact you the week before to set up a time.
5. Celebrate with us on Saturday, December 13!

All tree sponsors receive:

- Inclusion of logo on website and social media.
- Opportunity to display business cards or print advertising near your tree.
- A certificate designed by the children and staff to display in your place of business.

For sponsorship opportunities, or to donate a silent auction item, please contact Jill Henley at jilljhenley@hotmail.com or 910-975-4618

Sponsorship levels

World Wonder Benefactor

\$5,000

Provides a full scholarship for a student for one year
