CHEER TEAM • 2026-2027 SEASON

AGES 4-7 • NO TRYOUT REQUIRED • LIMITED TO 12 ATHLETES

A fun, age-appropriate introduction to competitive cheer for younger athletes. Tiny Twinkle is designed to build **confidence, teamwork and strong cheer fundamentals** with a lighter commitment than our full All Star Cheer program.

Is Tiny Twinkle Right for My Child?

- Ages **4-7** as of August 2026
- New to cheerleading or still developing foundational skills
- Would benefit from a smaller weekly time commitment
- Wants the excitement of competitive cheer in a fun, supportive environment

Athletes ready for more advanced stunting, tumbling, choreography and a full competition schedule may be better suited for our All Star Cheer Program.

What Athletes Will Learn

- Cheer motions & jump technique
- Beginning tumbling
- Age-appropriate stunting
- Dance & formations
- Teamwork and performance skills
- Foundations for future All Star Cheer participation

Team Commitment

Tiny Twinkle practices **Saturdays from 2:30-3:30 PM** and will attend **two competitions in Spring 2027**. A third event may be added if the team is ready and families vote to attend. This structure gives young athletes a true team experience without the heavier schedule of our full All Star teams.
