

NEW YORK ALL STARS

MUSICAL THEATRE

PLEASANTVILLE • FALL 2026

THE LITTLE MERMAID • EVERY REGISTERED PERFORMER RECEIVES A ROLE

Two versions of the same beloved musical allow performers to grow at the pace that fits them best. Both programs emphasize confidence, stage presence, teamwork and meaningful performance opportunities, with roles designed to help every child shine.

THE LITTLE MERMAID KIDS

Kindergarten-4th Grade • Approx. 45 minutes

A fast-paced production with age-appropriate music and choreography. Older elementary performers have opportunities to take on **leadership, featured roles and greater responsibility** while helping build a strong ensemble.

Mondays OR Wednesdays • 3:15-4:30 PM

Tuition: \$495

THE LITTLE MERMAID JR.

3rd-8th Grade • Approx. 75 minutes

An expanded production with more advanced music, introductory harmonies, layered vocals, choreography and performance expectations for performers ready for the next challenge.

Mondays OR Wednesdays • 4:00-6:00 PM

Tuition: \$595

Choosing the Right Program

3rd and 4th graders have two strong options. In KIDS, they are among the more experienced members of the cast and may have opportunities for leadership, featured material and greater responsibility. JR. places them alongside older performers with more advanced music, choreography and a longer production. The best fit depends on experience, confidence and goals.
