

NEW YORK ALL STARS

ALL STAR CHEER

2026-2027 COMPETITIVE SEASON

BEGINNERS WELCOME • TEAM PLACEMENT REQUIRED • FULL-SEASON COMMITMENT

New York All Stars is a community-based competitive cheer program focused on **teamwork, leadership, wellness and athletic development**. Athletes train in a supportive environment while learning the skills and performance qualities that make All Star Cheer exciting.

SATURDAY team practices	WEEKNIGHT tumbling/technique included	SPRING competition season
-----------------------------------	---	-------------------------------------

What Is All Star Cheer?

Unlike sideline cheer, All Star Cheer is the sport itself. Athletes train for a competitive routine set to customized music featuring synchronized **jumps, stunts, tumbling and dance**.

Beginners are welcome. Athletes are grouped by age, ability and overall readiness so they can develop as individuals while contributing to a team.

Athletes Develop

- Motion & jump technique
- Tumbling skills
- Stunting & teamwork
- Dance & performance quality
- Confidence, leadership & sportsmanship
- Routine execution and competition readiness

Season Commitment

All Star Cheer is a **full school-year commitment**. Teams practice from September through May. Saturday team practices are 90 minutes, and athletes also receive **one weeknight tumbling/technique class per week during the fall semester at no additional cost**. During the spring competition season, weeknight time slots may be used for additional team practices as needed.

Competition & Performance Season

Teams perform at local events and attend approximately **five competition events during the spring**. The current season calendar includes events in New Jersey and a Nationals event in Atlantic City. Competition attendance and the scheduled practices leading into events are mandatory.

ALL STAR CHEER • 2026-2027

Interested in Joining This Season?

We may still be able to place additional athletes on select 2026-2027 teams. Because team placement is based on age, skill level, experience and current roster needs, **online registration is not available for late placements.**

Please contact New York All Stars directly to discuss your athlete and available team placement. We will help determine whether there is an appropriate opening and explain the next steps.
