YONKERS • FALL 2026

THE LITTLE MERMAID • EVERY REGISTERED PERFORMER RECEIVES A ROLE

Our Friday musical theatre program offers two age-appropriate casts of The Little Mermaid, giving performers room to grow through acting, singing, dance, teamwork and leadership while working toward a fully staged production.

THE LITTLE MERMAID KIDS

Kindergarten-4th Grade

An age-appropriate production where elementary performers build strong stage skills. Older students in the cast can take on **leadership, featured roles and greater responsibility** within the ensemble.

Fridays • 4:00-5:00 PM
Tuition: \$435

THE LITTLE MERMAID JR.

3rd-9th Grade

A longer production with more complex music, advanced choreography and increased performance expectations for performers ready to work alongside older cast members.

Fridays • 4:00-6:00 PM
Tuition: \$525

Choosing the Right Program

3rd and 4th graders may choose either production. KIDS gives them the opportunity to be leaders within a younger cast and take on greater responsibility. JR. offers the challenge of working with older performers, more advanced material and a longer rehearsal process. We are happy to help families choose the best fit.
