## AN IMPORTANT UPDATE

We want to share an update on the Palma Ceia Water Main Improvements project. Work on the project has been delayed due to external circumstances. In order to move forward in the best interest of our residents, a new contractor will be hired who can deliver the project to the standards our community deserves.

We are committed to keeping you informed and will share a revised construction timeline as soon as it is available.

Updates will also be posted on the project website [palmaceiawatermainph3.com](http://palmaceiawatermainph3.com).

If you have any immediate questions or concerns, please contact City of Tampa staff.

We appreciate your patience on this matter.
