# ABOUT US

With Over 40 years of experience in Brush Manufacturing & 30 years of experience in Paint Manufacturing in India , P.P. Organics Pvt Ltd formed by Mr. Prem Gandhi goes Global with Highest technological advancement. His vision of honesty with quality and service let us stand here for what we are today. He understood the market needs and transformed the company accordingly by establishing sustainable quality manufacturing, defining the vision for Research & Development while keeping emerging needs as the key focus. His vision and effort have resulted in TIGERCOAT's impressive success over the last 4 decades. His strong belief in customer delight and uncompromising business ethics has helped PPOPL go global today while staying true to its values and promise. He is a tremendous source of inspiration for whole PPOPL family.

## OUR VISION

Is to build an organization that relentlessly adds value in what it does (i.e. products) and for whom it does (i.e. customers) & through whom it does (i.e. employees).

## OUR MISSION

Is to be a front runner in offering innovative, user friendly & environmentally sustainable painting solutions to customers around the globe.
