

Hey Incoming Freshman!

I know some of you are feeling so many different emotions about the next few months. We, the freshman connectors, have created some summer hangouts for you to attend. Attendance is not required but strongly encouraged. Getting to know a few upperclassmen will help you ease into the band more

smoothly and make your time in the band overall more fun! So please join us for these summer hangouts!

June 6th 2022- Scavenger Hunt and Water Balloon Fight @ San Gabriel Park from 10:00am-12:00pm (please bring 5\$)

July 6th 2022- Tye-Dye Day! Tye-dying shirts for summer band! @The park by the village pool from 5:00-6:30pm. (Please bring a clean white shirt in your size)

I hope you can come to some of those this summer! As well, If you have not yet been added to the "Band Class of 2026" GroupMe yet, please scan this QR code below. This is an effective way for us to keep in touch with you throughout the summer and remind you of anything.
