

- Smart Handy Pocket Multimeter
- No Rotary Switch there by no mechanical damage
- Accurate and Safe to Use
- Backlight Large LCD with Flash Light For Dark Areas
- AC(True RMS) / DC Voltage, Resistance, Capacitance, Frequency Measurement
- Diode, Continuity and Non Contact Voltage(NCV) Test

Specification

Parameters	STEK DMM09
Voltage	0-600V AC/DC
Resistance	0-40M ohm
Capacitance	0-4mF
Frequency	40Hz / 4 MHz
NCV	Yes (sound and light alarm)
Range	Auto Range
Display	3 3/4 th Digit 4000 Counts (3999)
Weight	Approx.107g
Continuity Test	Yes
Ambient Temp	0~40°C
Dimensions	127mm*66mm*19mm
Power	2 * 1.5V AAA Batteries
Certifications	EN61010-1 CAT III 600 V

Test Leads Length: 130mm

Tip Dia: 2mm

Plug: 4mm Dia Cross Plug Right Angle Type

Wire: 18 AWG Red & Black, 800mm

Safety: EN61010-031, 1000V CAT III, 600V CATIV, 10A
