CAMP POLICIES

1. All students should be in good physical condition and bring appropriate training wear for swimming, outdoor exercises, and fencing. Students who require medications during camp (such as asthma treatment) must provide written instructions; parents must provide written permission if the fencer is to maintain the medication on their person. This information should be given to Coach Samantha Alkadi.

2. Students must bring their own electric equipment.

3. **PERSONAL VEHICLES**: Campers who bring their own cars to camp are NOT allowed to transport other campers under the age of 18 without written permission of the parent or legal guardian of the other camper, including siblings.

4. **CELL PHONES**: **Cell phones are not to be brought to training**. Campers may retain possession of their cell phone as long as they do not abuse this. There is no internet access for campers. (Parents, understand this is a training camp and not a vacation camp. Your child will be pushed mentally and physically, and may call to complain. The first thing to ask them is, "Did you tell your coach about this?" Most of the time they have not.)

5. Fencers who violate the policies or rules of the college, USA Fencing, or host club(s) shall be expelled and no refund shall be given.

6. Campers will be financially responsible for any damage they cause to the dorms, furniture, etc. EVERYONE should make a thorough inspection of your room and furnishings and document any damage when checking in. This should be reported immediately to a coach for the school staff.
