**TO:** Honorable Council President and Members of the City Council  
**FROM:** Mayor Deirdre Waterman, and Dan Ringo, Interim Director of DPW  
**DATE:** October 5, 2020  
**RE:** **Michigan Department of Transportation (MDOT) – Public Act 51 Requiring Identifying person to be designated as Street Administrator**

Public Act 51, as amended, requires that each incorporated city and village designate an individual who shall be responsible for representing the governing body in transaction with the State Transportation Department pursuant to this act.

It is the duty of the municipality's Street Administrator to prepare reports, communicate with Michigan Department of Transportation (MDOT) and represent the municipality in any and all issues related to the provisions set forth in the Public Act 51.

Since the previously identified Street Administrator has departed city employment it is necessary to designate a new Administrator.

The City of Pontiac has recently employed a new City Engineer, Mr. Abdul Siddiqui. Mr. Siddiqui is a registered Professional Engineer, licensed to practice by the State of Michigan. He has the education and experience to perform the duties required by State of Michigan.

Based upon the above it is the recommendation of the Department of Public Works that the following resolution be passed by Pontiac's City Council.

WHEREAS, Section 13(9) of Act 51, Public Acts of 1951 provided that each incorporated city and village to which funds are returned under the provisions of this section, that, "the responsibility for street improvements, maintenance, and traffic operations work, and the development, construction, or repair of off-street parking facilities and construction or repair of street lighting shall be coordinated by a single administrator to be designated by the governing body who shall be responsible for and represent the municipality in transactions with the State Transportation Department pursuant to this act."

NOW, THEREFORE IT IS RESOLVED:

That this Honorable Body designates Mr. Abdul Siddiqui as the single Street Administrator for the City of Pontiac in all transactions with the State Transportation Department as provided in Section 13 of the Act.

---

**TO:** Honorable Mayor, Council President, and City Council Members

**FROM:** Dan Ringo, Interim Director of Public Works

**DATE:** October 23, 2020

**RE:** **MDOT Baldwin Traffic Signals Optimization Preliminary Engineering Funding Agreement (Contract No. 19-5552)**

The Michigan Department of Transportation (MDOT) has prepared and delivered the attached funding agreement for the preliminary engineering (PE) portion of the Baldwin Avenue CMAQ Project. The PE for this project is partially funded through MDOT Congestion Mitigation and Air Quality (CMAQ) funds totaling \$24,000. The total estimated cost of the PE is \$30,000, with the City's portion of the project being \$6,000. This project is budgeted in fiscal year 2020/21.

The CMAQ funding from the Michigan Department of Transportation is provided based on competitive application and is specifically for providing more efficient roadway corridors. These projects go through an MDOT Bid letting and be awarded, and funded by MDOT. The City will be responsible for our match on the project as stated above.

This contract was sent by MDOT to the City Clerk's Office in November 2019. To date, the original copy has not been delivered to the Department of Public Works (DPW). MDOT inquired from DPW about the status of the contract and were informed that DPW has not received the contract to date. MDOT then reissued the contract electronically, which is what we are presenting for your consideration.

It is the recommendation of the Department of Public Works, Engineering Division that the City sign the attached MDOT funding agreement for the Baldwin Avenue CMAQ Project PE:

WHEREAS, The City of Pontiac has received the funding agreement from the Michigan Department of Transportation, and;

WHEREAS, The Department of Public Works, Engineering Division has reviewed the subject agreement, and;

## OFFICIAL MEMORANDUM

Executive Branch

---

**TO:** Honorable City Council President Kermit Williams, and City Council Members

**FROM:** Dan Ringo, DPW Director, and Mayor Deirdre Waterman

**CC:** Irwin Williams, Interim Finance Director

**DATE:** October 27, 2020

**RE:** **Resolution to approve a budget amendment for fiscal year 2020/2021 to reallocate \$125,700.00 of the Council adopted budgeted expenditures from the General Fund's Park's Ground Maintenance Department (101-818) to Contractual Mowing Services expenditure accounts within the General Fund's Park's Ground Maintenance Department (101-818), Major Streets Fund (202-463), and Local Streets Fund (203-463).**

As of October 27, 2020, the DPW Director of the City of Pontiac, Dan Ringo, requested that the City Council approve a budget amendment to reallocate a portion of the fiscal year 2020/2021 Council adopted budgeted expenditures to be used to pay vendors for Contractual Mowing Services. The DPW Director recommends reallocating available funds from the General Fund's Park's Ground Maintenance Department (101-818) to Contractual Mowing Services expenditure accounts within the General Fund's Park's Ground Maintenance Department (101-818), Major Streets Fund (202-463), and Local Streets Fund (203-463).

The detailed budget amendment is as follows: \$70,000.00 from Recreation Supplies – Parks account 101-818-745.012, \$55,700.00 from Other Professional Services account 101-818-818.000, \$107,000.00 into Contractual Mowing Services account 101-818-818.006, \$18,000.00 into Contractual Mowing Services account 202-463-818.006, and lastly \$700.00 into Contractual Mowing Services account 203-463-818.006.

The reallocation of funds is necessary because current budgeted funds in the Contractual Mowing Services accounts are not enough to pay vendors for a full year of service. The reallocation of these funds ensures that the City of Pontiac will have enough budgeted expenditure amounts within the Contractual Mowing Services accounts to properly pay vendors for mowing services throughout fiscal year 2020/2021.

As such, the following resolution is recommended for your consideration:

*Whereas, as of October 27<sup>th</sup>, 2020 the City of Pontiac's DPW Director requested that the City Council approve a budget amendment for reallocating fiscal year 2020/2021 Council adopted budgeted expenditures to be used to pay for Contractual Mowing Services; and*

*Whereas, current budgeted funds in the Contractual Mowing Services accounts within the General Fund's Park's Ground Maintenance Department (101-818), Major Streets Fund (202-463), and Local Streets Fund (203-463) will not be enough to pay for a full year of these services within fiscal year 2020/2021; and*

*Whereas, the reallocation of these funds ensures that the City of Pontiac will have enough budgeted expenditure amounts within the Contractual Mowing Services accounts to properly pay vendors for mowing services throughout fiscal year 2020/2021.*

NOW THEREFORE, be resolved that the City Council hereby approves a budget amendment for fiscal year 2020/2021 to reallocate \$125,700.00 of the Council adopted budgeted expenditures from the General Fund's Park's Ground Maintenance Department (101-818) to Contractual Mowing Services expenditure accounts within the General Fund's Park's Ground Maintenance Department (101-818), Major Streets Fund (202-463), and Local Streets Fund (203-463). The breakout of these funds into accounts is as follows; \$70,000.00 from Recreation Supplies – Parks account 101-818-745.012, \$55,700.00 from Other Professional Services account 101-818-818.000, \$107,000.00 into Contractual Mowing Services account 101-818-818.006, \$18,000.00 into Contractual Mowing Services account 202-463-818.006, and lastly \$700.00 into Contractual Mowing Services account 203-463-818.006. The total funds amount of \$125,700.00 are to be used to pay for Pontiac's Contractual Mowing Services during fiscal year 2020/2021.
