Unresolved Issues

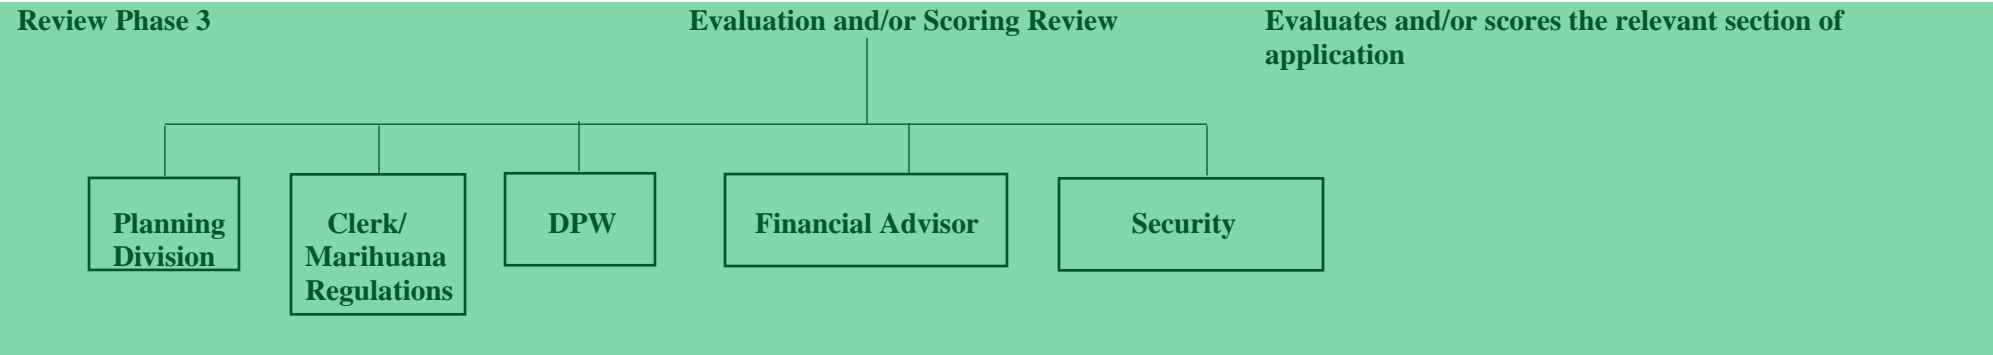

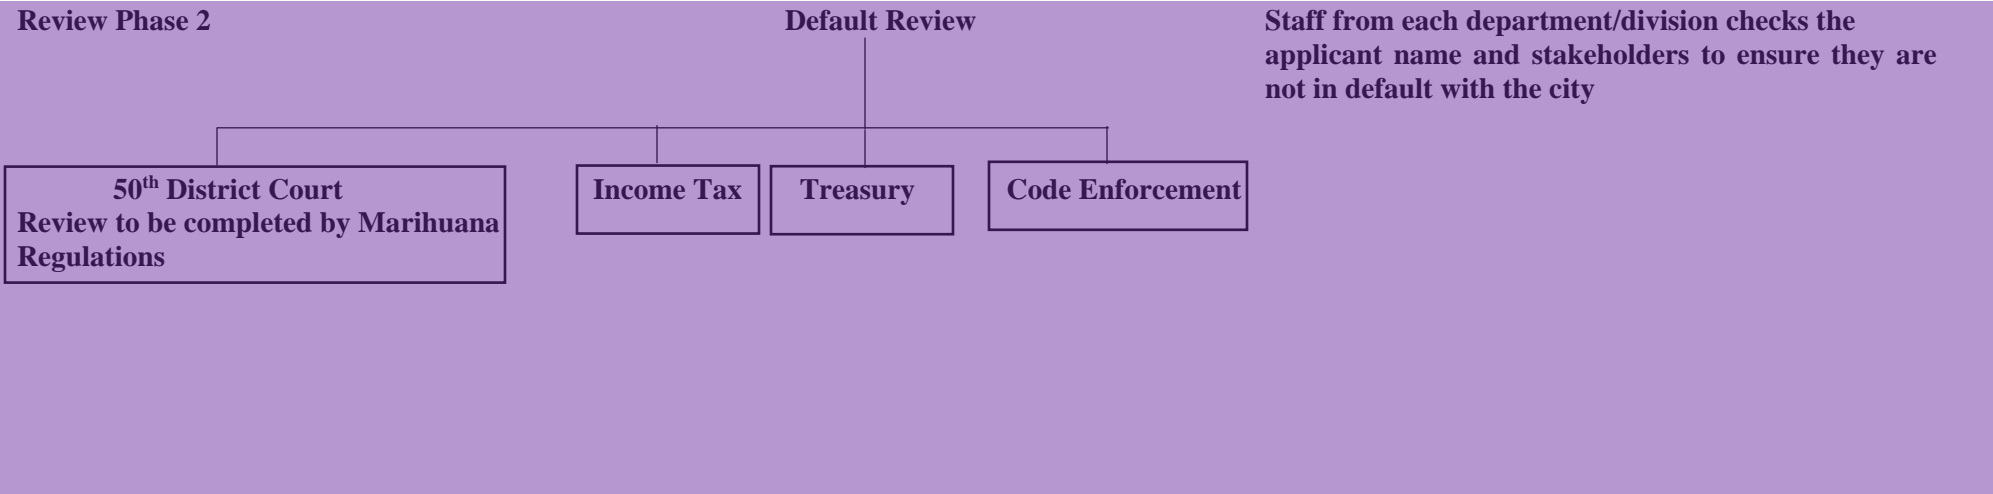

1. The Planning Commission has not made a recommendation to the City Council about the proposed zoning map amendment to allow grower and processor facilities to locate outside of the Walton Blvd and Cesar Chavez Overlay Districts. The text amendment was submitted in January 2020. It has been seven months and still no action by the Planning Commission.

The Clerk will not be able to issue any grower or processor licenses (permits) outside of the Walton Blvd. & Cesar Chavez Overlay Districts until Ordinance 2363 the zoning ordinance for Medical Marihuana is amended. Conditional rezoning addresses non-conforming zoning issues. Conditional rezoning does not address the licensing statute in the zoning ordinance. The Clerk is obligated to follow ordinances as they are written. The Clerk will continue to review applications not affected by this issue.

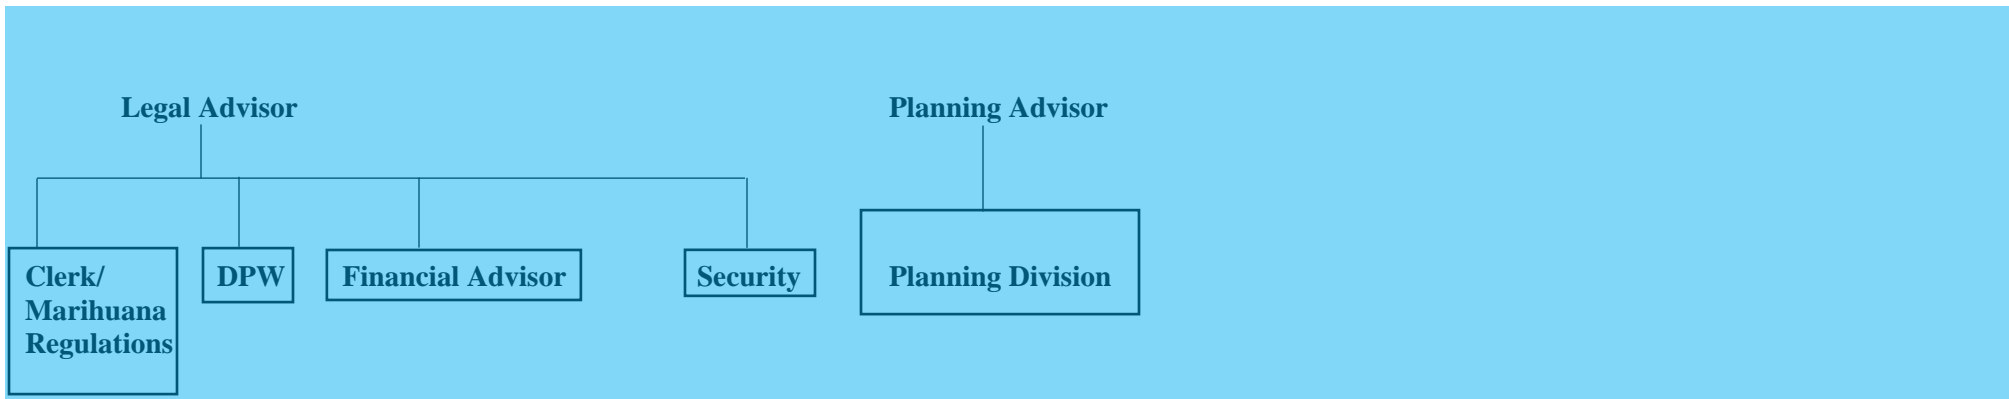

2. The Planning Commission has not made a recommendation to the City Council about the proposed zoning text amendment regarding Hidden River being designated as a park. The text amendment was submitted in August of 2019. It is been over a year and still no action by the Planning Commission.
