Resolutions

City Council

22-123 **Resolution Recognizing Earth Day on April 22, 2022.** Moved by Councilperson Carrington and second by Councilperson Goodman.

Whereas every resident of Pontiac, Michigan deserves a healthy environment as it relates to our land, air, and water, and similarly deserves a safe, clean, and beautiful community; and
Whereas there are many longstanding and emerging threats to environmental safety, quality, and access that negatively impact the health, safety, and our quality of life here in Pontiac; and
Whereas the City of Pontiac, Michigan strives to better provide multiple services to Pontiac residents that help us to improve our quality of life and to facilitate safer, cleaner, and more beautiful Pontiac neighborhoods; and
Whereas the first Earth Day was held on April 22, 1970 to demonstrate support for environmental protection in the United States, Earth Day activities have continued in the decades that followed, now has global reach and significance, and in many communities it is a catalyst for renewed attention on protecting our environment and cleaning natural habitats;
Whereas many Earth Day cleanups and activities are scheduled in the Pontiac community and throughout our region; now, therefore be it
Resolved, the Pontiac City Council, in partnership with Pontiac Mayor Tim Greimel, hereby proclaims April 22, 2022 as Earth Day in the City of Pontiac, Michigan; and further
Resolved, we encourage all Pontiac residents to become engaged with Earth Day cleanups and celebrations happening throughout the Pontiac Region; and further
Resolved, the City Council reaffirms that every resident of Pontiac, Michigan deserves a healthy environment as it relates to our land, air, and water, and all residents similarly deserve a safe, clean, and beautiful community; and further
Resolved, the City Council commits to improving and expanding city services enhance our quality of life and to facilitate safer, cleaner, and more beautiful Pontiac neighborhoods.

22-124 **Resolution Proclaiming April 29, 2022 as Arbor Day in Pontiac, Michigan.** Moved by Councilperson Carrington and second by Councilperson Parker.

Whereas every resident of Pontiac, Michigan deserves a healthy environment as it relates to our land, air, and water, and similarly deserves a safe, clean, and beautiful community; and
Whereas there are many longstanding and emerging threats to environmental safety, quality, and access that negatively impact the health, safety, and our quality of life here in Pontiac; and
Whereas trees and expanded tree canopies in a community can reduce storm water runoff, sequester carbon dioxide, improve air quality, reduce heating and cooling costs, help calm traffic, reduce stress, help create sound barriers, reduce heat in parking lots, and more; and
Whereas Pontiac has had substantial reductions in our neighborhood tree canopy throughout the city in past decades, as well as limited planting of new trees to replace lost trees; and

Whereas the first Arbor Day in the United States took place in April 1872 and has continued in the decades to encourage the protection of existing trees and the planting of new trees; and
Whereas in proximity to Arbor Day, and to commemorate their milestone 100th anniversary as an organization, the Rotary Club of Pontiac is planting 100 trees in parks and public spaces throughout the City, and other civic groups are supplementing that effort; now, therefore be it
Resolved, the Pontiac City Council, in partnership with Pontiac Mayor Tim Greimel, hereby proclaims April 29, 2022 as Arbor Day in the City of Pontiac, Michigan; and further
Resolved, we encourage all Pontiac residents, businesses, and organizations to consider steps that can be taken to strengthen the tree canopy in our City and plant new trees; and further
Resolved, the City Council celebrates the concerted steps taken by the Rotary Club of Pontiac and other civic organizations to plant new trees in our community; and further
Resolved, the City Council commits to researching sustainable strategies to better protect existing trees as well as place more trees in our Pontiac neighborhoods and public spaces.

Ayes: Parker, Rutherford, Carrington, Goodman, James, McGuinness and Nicholson

Resolution Passed

22-125 **Resolution Celebrating the Rotary Club of Pontiac 100th Anniversary.** Moved by Councilperson Carrington and second by Councilperson Goodman.

Whereas the City of Pontiac is home to multiple fraternal and civic organizations that positively impact the lives of Pontiac residents and work to help others in need;
Whereas the Rotary Club of Pontiac is a service club organization based in Pontiac, Michigan that strives to engage Pontiac youth and build a strong, vital community and this local club is part of a larger Rotary International organization throughout the world;
Whereas the Rotary Club of Pontiac has been active in our community for many decades, and this year they are commemorating 100 years since the club's formation;
Whereas, to mark this auspicious milestone and to continue giving back to the Pontiac community, the Rotary Club of Pontiac is generously planting 100 trees in municipal parks and public spaces throughout the City; now
Therefore, Be It Resolved, the Pontiac City Council, in partnership with Pontiac Mayor Tim Greimel and on behalf of the entire Pontiac community, hereby celebrates the centennial milestone of the Rotary Club of Pontiac; and further
Resolved, the City Council thanks the Rotary Club of Pontiac for their many years of philanthropic work to build a stronger and more vital Pontiac; and further
Resolved, the City Council looks forward to the Rotary Club of Pontiac continuing their service to our community in the decades to come, and welcomes additional opportunities for the City of Pontiac to collaborate with their organization; and further
Resolved, we encourage Pontiac residents to reflect on the Rotary Club's positive impact locally and, specifically, to think of the first century of the good works by the Rotary Club of Pontiac when passing by one of the many trees planted to mark that milestone.

22-126 **Resolution Supporting Body-Worn Cameras for Oakland County Sheriff Deputies.** Moved by Councilperson Goodman and second by Councilperson Carrington.

Whereas the City of Pontiac currently contracts with the Oakland County Sheriff Department for law enforcement services and most recently renewed that contract in December 2021; and

Whereas “body-worn cameras are widely used by state and local law enforcement agencies in the United States” and “worn principally by officers in the performance of duties that require open and direct contact with the public,” according to the National Institute of Justice; and

Whereas the Sheriff Department does not presently utilize body-worn cameras and Sheriff Deputies are not currently wearing body-worn cameras in any performance of their duties; and

Whereas Pontiac Mayor Tim Greimel has been advocating in public and in communications with the Oakland County Sheriff and their departmental leadership for the use of body-worn cameras by Oakland County Sheriff Department deputies; and

Whereas the Pontiac City Council has recently been informed by Mayor Greimel that the Oakland County Sheriff Department now plans to utilize body-worn cameras for all their deputies, and those deputies assigned to the Pontiac Substation shall be prioritized to be the first to have the body-worn cameras added to their equipment; now, therefore be it

Resolved, the Pontiac City Council hereby supports the utilization of body-worn cameras by the Oakland County Sheriff Department for their deputies; and further

Resolved, we believe the utilization of body-worn cameras will enhance transparency, accountability, and safety for Pontiac residents and for Sheriff Department staff; and further

Resolved, the City Council acknowledges Pontiac Mayor Tim Greimel advocating on behalf of Pontiac residents that body-worn cameras be utilized by Sheriff Deputies; and further

Resolved, the City Council requests regular updates from the Oakland County Sheriff Department on planning and implementation for body-worn cameras coming into active use.
