Pontiac City Clerk Launches New Website

<http://PontiacCityClerk.com>

Pontiac- Interim City Clerk Garland Doyle announced today that the Office of the City Clerk has established a website dedicated to the Clerk's Office www.PontiacCityClerk.com.

The website will feature information, official notices and documents from the Office of the City Clerk.

Currently, the Clerk's Office is accepting medical marijuana applications. "We are in the midst of the 21 day application period for provisioning centers January 6-27, 2020. Potential applicants can go to <http://pontiaccityclerk.com/medical-marihuana> and download the various provisioning center application forms as well as the scoring criteria guide" said Interim Clerk Doyle.

Additionally, the City Clerk administers elections in the City. In the future, you will be able to download voter registration and absent voter application forms from <http://pontiaccityclerk.com>.

This website does not replace the City's main website. For information about other City offices or departments you will need to visit <http://pontiac.mi.us>.

The Clerk's Office provides vital resources to the citizens of Pontiac. "We wanted to ensure that our services and information are more readily available to the public. We now have that opportunity through <HTTP://WWW.PONTIACCITYCLERK.COM>" stated Doyle.
