Pontiac City Council Announces a New Way to Access City Council Meetings Online

Pontiac – Council President Kermit Williams announced today that citizens will now have more options to view the Pontiac City Council meetings live.

City Council meetings will be live streamed on youtube.com on the Pontiac City Clerk page <https://www.youtube.com/channel/UCR9pXYP1EmHJKmbSFSHQmeQ>.

Council President Williams stated “In the past, we had problems with livestreaming on PontiacTV and cable but by livestreaming on youtube.com, the public will always be able to view City Council Meetings live.” In addition, meetings will be posted on the Pontiac City Clerk facebook page <https://www.facebook.com/Pontiac-City-Clerk-200250170800828>.

The agenda and weekly meeting link as well as the approved minutes for City Council meetings will now be posted on [pontiaccityclerk.com/city-council-meetings](https://www.pontiaccityclerk.com/city-council-meetings). The Pontiac City Council meets weekly every Tuesday at 6:00 p.m. The agenda will be posted on the website on Fridays by 5:00 p.m. prior to the Tuesday meeting. “This will eliminate any problems with the agenda not being posted on pontiac.mi.us,” stated Council President Williams.

In 2020, the City Council approved a resolution authorizing [pontiaccityclerk.com](https://www.pontiaccityclerk.com) as an official city website. Recently, we approved a resolution adopting an electronic meetings policy as well.

“It is my goal to always ensure that our meetings can be viewed by the public using as many venues as possible,” stated Council President Williams.
