

6" RECESSED HOUSING

Remodel

● Housing

- Die-formed aluminum for maximum heat dissipation and rust protection
- Housing adjusts to 1/2" to 1 3/8" ceiling thickness. Trims are held in place with high tension clips
- Housing is compatible with IC and Non-IC applications.

Fixture fully assembled including pre-wired ballast for easy installation.
Removable access plates for easy installation.

● Connection

E26 Standard Edison Base Socket.

● Junction Box

UL listed for through branch wiring.
1/2" and 3/4" romex wiring knockouts and four romex knockouts with integral strain clamps, all knockouts have true pry-out slots.
J-Box is designed for straight through conduit runs.

● Thermal Protection

Standard thermal protection device guards against improper installation and misuse of insulation material.

● Air-Shut

Provided with gasket to prevent airflow from heated or air-conditioned spaces. Meets or exceeds all national air flow requirements.

● Listing & Warranty

UL listed to US and Canada standards for wet locations.
5-year limited warranty.
