

The President's Cup match play is underway and defending Champion Roger Pearce has advanced to the semi finals. Looks like he's seriously looking to retain the cup and the title. The partner's better ball tournament in march was a close one with 3 teams tied at the top. The early morning duo of Steve Lee and Eddie Guerrero took the win in a card off. We also celebrated Eddie Guerrero's Hole in One that day with a free drink for all the Men's Association members. Eddie also claimed 4 prizes including 2 CTP's while chasing another ace. As I was walking out after the tournament, Fred Wong casually asked me when all the results would be available. Not thinking twice about it, I told him probably in a few hours they will be posted on the website and pinned up in the proshop Sunday morning about 9am. Later that evening as I was updating and posting the results, it had become apparent why he asked. He won 2 CTP's, 3 skins, an individual and a team prize. Great day, Fred!

Our second major tournament, The Member/ Member is coming up on May 17 & 18. That means it's time to find a partner that will put up with you for two days of both fun and competitive golf and hopefully remain friends afterwards. The first day starts off with a putting and chipping contest, a better ball, a derby, and dinner after that. Then it gets real on the second day with aggregate scoring. Yes, everything counts. Just when you think you've had enough of your partner, you will have to sit down and have lunch with him where the scoring is finalized and prizes will be distributed. Seriously, it's going to be a real fun time. Find a partner and get signed up. If you don't have a partner, we will find one for you. All Via Verde members are welcome to participate, but verifiable handicaps are required. We will also be having a regular monthly tournament on the 24<sup>th</sup>. It will be select tee times starting at 6:30a. We will be having our annual Father's Day event. It's in the planning stages. All members and their guests are invited to join the fun on Father's Day. Watch for the flyers and details. Hope to see you at the next event!
