ORDERING AND GENERAL INFORMATION

RETURN POLICY: If you are not satisfied with any item, it may be returned within 30 days from the date of receipt for an item refund or exchange. Please call us for a Return Authorization Number. This RAN must appear on any returns or they will be refused. A copy of the original invoice must accompany all returns. Any part returned after 30 days will be subject to a 20% restocking fee. Please advise why the part is being returned so that we can take the appropriate action. All parts being returned must be transportation prepaid. All printed material, cut-to-order, electrical, and special order parts are not refundable. All shipment damages and shortages must be reported within 10 days.

SHIPPING CHARGES: For ground shipping & handling charges, refer to the chart on the order form. Outside the continental USA, we will charge Priority Mail or UPS Rates plus a \$15.00 documentation fee. Please be aware of mail size and weight restrictions. Next Day, 2nd Day, and 3rd Day Air service is available to US physical addresses. The exact additional delivery and handling charges must be added. Saturday delivery is available on Next Day service only; please add an additional \$10.00.

BACK ORDERS: While we normally stock most all the items in our catalog, we do at times exhaust our supply. If we expect the item to be available in a reasonable amount of time, we will backorder it on your behalf. While it is frustrating to backorder a part, the system does offer certain benefits. You will not be billed until the item is shipped, and it will be reserved in your name and sent as soon as it arrives in our warehouse. Shipping charges are added to each shipment.

INSURANCE: Each order is charged an insurance fee of \$2.95. This fee will insure the entire order and protect you completely from damages or loss. The order form located on the opposite side of this page includes this fee in the indicated column when your order is being totaled.

MAIL ORDERS: We accept personal checks, money orders, bank checks, Visa, Master Card, American Express, and Discover. Please do not send cash. Please give us part numbers and a full description of the parts that you are ordering. Shipments may be held up for 2 weeks for personal checks to clear the bank.

FAX ORDERS: We have a 24-hour FAX machine. Our FAX number is 304-724-6660 or 800-872-2014.

CORE DEPOSITS: The purpose of a core deposit is to ensure the return of good, rebuildable parts. Your core deposit will be refunded when we receive and evaluate your complete rebuildable core. Core returns must be transportation prepaid, and a copy of the original invoice must accompany your core. Please compare your core to what you receive, and make sure it is complete and assembled when returned. No credit can be issued for damaged, broken, disassembled, or incomplete units.

EXCHANGE ONLY: We will have your original part rebuilt to meet or exceed O.E.M. specifications. You must send us the part with an order form and payment. Then we will return it to you rebuilt.

PRICES: Prices are subject to change without notice. If unsure, please call our sales line for the latest information. We try to maintain competitive pricing on all of our parts, but our costs can sometimes change with little or no notice, and we must pass on the increase (or savings!) to you. In addition, part numbers, specifications, and descriptions of products can also change at any time - and without notice.

LIABILITY: THE SELLER, USA PARTS SUPPLY, LTD., HEREBY EXPRESSLY DISCLAIMS ALL WARRANTIES, EITHER EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OR FITNESS FOR A PARTICULAR PURPOSE, AND USA PARTS SUPPLY, LTD., NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR IT ANY LIABILITY IN CONNECTION WITH THE SALE OF THIS MERCHANDISE. YOUR SOLE REMEDY FOR ANY CLAIM WILL BE THE REFUND MENTIONED ABOVE. YOU UNDERSTAND THAT WE WILL NOT BE LIABLE FOR ANY SPECIAL OR INCIDENTAL OR CONSEQUENTIAL DAMAGES SUFFERED IN THE CONNECTION WITH THE PURCHASE OR RESALE OF ANY PRODUCT.
