**SCHS Boys Soccer
Picture Day – Monday – October 27, 2025**

* Please read the following information and pass it along to your players and parents. Your cooperation will help insure a pleasant, smooth, and on time Picture Day for all.

* **Please hand these envelopes to your athletes at least a week before to Picture Day.** Also, please remind your athletes to bring their envelope to picture day! If they forget it, we will have extra envelopes available to fill out.

* **All orders require a filled out envelope, not a printed PDF of the envelope.** Our lab has a scanning system that works with the size of the envelope. As stated before, we will have extra envelopes at picture day. If a PDF is filled out, we will fill out an envelope at the camera.

* **We do not run late.** Your team will be photographed at precisely your scheduled time. Late arriving players and coaches will not appear in their team pictures if we've already taken the team picture. We staff our Picture Day to be efficient and on-time and have an amazing track record.

* **All pictures should be paid for on or before Picture Day.** At our discretion, we will hold the envelopes for up to one week to give everybody a chance to pay but this only holds up the process in fulfilling the orders.

We accept CASH, CHECK, MC, Visa, and AMEX. All pictures have a 100% money back guarantee. If paying by Credit Card, please scan the **QR code** on the envelope and follow the prompts.

* **If you did pay by Credit Card**, please write your order number/receipt number on the envelope and fill out the envelope with your order. Our Credit card system is a system that just accepts payments, we still need the envelope filled out.

Thank-you for your business!!
