

Sr. Night Committee

Senior Night is a memorable game night during the season for our graduating boys.

This is a night to celebrate their achievements and contributions to the team throughout their high school career. It's a special night for the boys and their families.

What You'll Do:

- **Planning and Brainstorming:** Help brainstorm ideas for decorations, activities, and special touches to make the night unique for our seniors. Documents from previous years are available to help you get started.
- **Logistics and Coordination:** Assist with tasks like securing decorations and coordinating with vendors, our game announcer, younger team players and parent volunteers.
- **Pre-Night Set-Up:** Help decorate the field or designated area for Senior Night.
- **Game Day Support:** Assist with tasks during the game, such as player introductions, handing out flowers or gifts
- **Post-Event Clean-Up:** Help pack up decorations and ensure the field or area is left clean.

Let's Make it a Night to Remember!

If you're interested in joining the Senior Night Committee and helping us honor our graduating players, please contact sctritonsoccer@gmail.com.
