

Spiritwear Coordinator

Calling all enthusiastic Triton Boys Soccer parents! We're looking for a dedicated volunteer to be our Spiritwear Coordinator. This is a fun way to get involved, show your team spirit, and support the boys on and off the field!

Responsibilities:

- **Graphic Design:** We have basic designs ready to go, but if you like Graphic Design this role is a fun way for you to come up with spiritwear designs that reflect team spirit and player preferences.
- **Vendor Ordering:** We've used FaceFirst based in SJC, but feel free to research and identify vendors who offer high-quality spiritwear at competitive prices. We're open to ideas.
- **Promotion & Sales:** Develop a plan to promote the spiritwear to players, parents, and fans. This could involve creating flyers, social media posts, or setting up a booth at home games.
- **Order Management & Distribution:** Collect orders and payments from interested parties, ensuring clear deadlines are set. Coordinate with the vendor on delivery and oversee the distribution of spiritwear to players and customers.
- **Inventory Management:** Maintain a simple inventory system to track stock levels and ensure smooth order fulfillment.
- **Team Spirit Booster:** Be our team cheerleader! Generate excitement around the spiritwear and encourage everyone to show their support for the San Clemente Boys Soccer team!
