

## OKLAHOMA WELL LOG LIBRARY

January 2026 Newsletter

The building has started working on our new space upstairs!

We'll fit, with a little room to spare. The eastern Oklahoma log stacks will take up most of the open space. A small coffee bar with a sink will be easily accessible in the middle.

The front door (near the tiny red 'EXIT' sign above) will be next to our accounting office. Behind where I stood to take this picture will be another office for private meetings.

Tables, computers, and filing cabinets will run down the left side of the photo. There will be more tables along the outside walls, similar to the layout that we have now.

With our new, lower, membership fee, and our four MCGL online machines to access western Oklahoma data, there's never been a better time to be a member of the log library!

Scott Schad  
President, Oklahoma Well Log Library
