CREATE YOUR OWN ORIGINAL MASTERPIECE

Start with a blank canvas and a palette of limitless possibilities to build the kitchen of your dreams with Tedd Wood Custom cabinetry.

Step

1

CHOOSE YOUR COLOR PALETTE

The possibilities are unlimited.

All the colors of the rainbow are at your fingertips with our Sherwin-Williams Color Fan Deck, or match your favorite piece of furniture with our color match option. Any color and finish option you can imagine is available to bring your dream to life.

Step

2

CREATE THE FOUNDATION

The foundation of any kitchen is in the materials and the craftsmanship used to build it. Tedd Wood Custom cabinetry offers a variety of wood species to choose from, including many exotic species. The unique beauty and characteristics of wood are enhanced with hand-rubbed finishes, creating a kitchen that is one of a kind and uniquely yours.

Step

3

DESIGN YOUR OWN DOOR

Designing the perfect door for your new kitchen is perhaps the most important part of the process. Tedd Wood Custom cabinetry allows you to combine endless options of colors, profiles and door styles – from a traditional raised panel door to a contemporary slab door. All of our custom cabinet doors are sculpted for beauty and hand-finished for lasting durability.

Step

4

GIVE IT A PERSONAL TOUCH

Enhance your color and door style with custom finish techniques, hand-applied by master craftsmen from rural Pennsylvania.

Tedd Wood's Artisans take pride in the personal touches that go into every Tedd Wood Custom Kitchen. Transform your home into an expression of your personal taste and desire for elegance by applying custom hand-rubbed finishes and handmade antiquing.
