

5th Annual Santa's Summer Seminar Hosted By The North Carolina Friends of Santa

Saturday, August 1, 2026 9am - 4pm
Croasdaile Village Retirement Community
2600 Croasdaile Farm Parkway, Durham, NC 27705

Santa's Swap & Shop

At the SSS this year, we are going to provide an area for participants to bring any Santa gear (suits, shirts, belts, etc), books, and any other Christmas-related items that they would like to sell. We will provide tables and hanging space for your items. We will have price tags to attach to each item (can also be downloaded from SSS page on our website,

<https://northcarolinafriendsofsanta.org/santas-summer-seminar>, to complete before arriving at seminar). Each item tag will include your name and selling price. Also, items can be sold with the proceeds to be a donation to the NCFoS for use in our programs if you would like.

Requirements:

- Items must be in good, usable condition, and be Christmas related.
- You set the price for your items.
- Tags must be securely attached to each item.
- You must provide hangars if you want clothes hung up.
- Fee for selling items = \$10 **OR** be willing to staff the Swap & Shop area for one hour during the Seminar.
- All sales **MUST** be cash or check only. If you want to accept credit cards (Venmo, etc.), it is up to you to handle that transaction. NCFoS will **NOT** be able to handle CC transactions.
