

VILLAGE *walk* for Cancer Research

90 Days Until the Walk!

It's hard to believe that this year's Walk is just 3 months from now. We hope that you will join us on September 30th at the Balboa Pavilion. You can [download a registration form](#) or pick one up at RE/MAX, Clampit's, Arvest or KVRE.

Upcoming Events

You are invited to join us at one of our upcoming events! One Saturday a month, you'll see our table in front of Walmart. Quarterly, we have a DocTalk event and so much more!

Visit our [website](#) to learn more.

This Year's Cancer Color

Did you know there are 26 cancer colors? Most people are familiar with pink ribbons for breast cancer but is a cancer color for each cancer type.

This year, the Walk's planning committee has selected red which represents blood cancers including Leukemia, Myeloma and Lymphoma. Cancer survivors at the Walk wear the colored shirts.

Blood Cancer Facts:

- 9.8% of all new cancers diagnosed will be a blood cancer.
- An estimated 1.5M people are currently living with or in remission of a blood cancer.
- Lymphoma is the most common blood cancer followed by Leukemia. Myeloma is the rarest blood cancer type.
- There are no effective screening tests currently available for blood cancers.

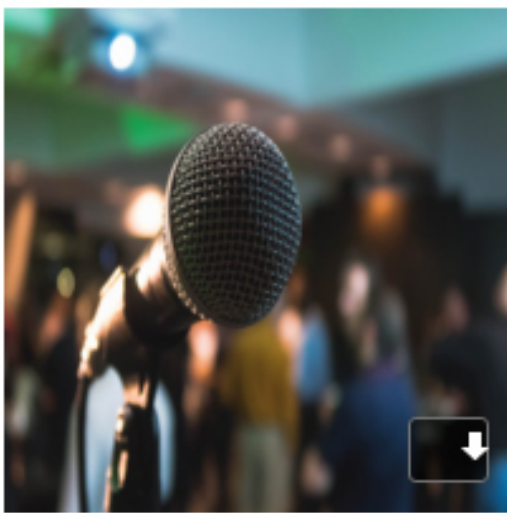

Are You At Risk?

- Men have a slightly higher risk than women.
- Those with a close genetic relative who had a blood cancer.
- Exposure to high doses of radiation
- Cancer patients treated previously with chemotherapy or radiation therapy

Need A Speaker?

Would you and your club / organization like to learn more about what we do? We can provide a presentation to your membership so they can learn more about cancer research being done locally and how you can get involved.

Fight the Fight. Find the Cure. Together We Can.

Sneakers4Good Recycling Program

Millions of sneakers and athletic shoes ends up in landfills. Recycle them instead! If you have a pair of gently used sneakers or other athletic shoes, drop them off this month at RE/MAX. All donations will be sent to developing countries to support micro-enterprises.

Would your organization like to collect sneakers for us? [Contact us](#) and we'll be happy to provide you with a donation box.
