KUTIYANA MEMON ACADEMY | OCTOBER, 2024

## HIGHLIGHT

Our talented students have come together to showcase their artistic skills in support of the upcoming 9th Thalassemia Blood Donation Camp, happening this December at our School. Their thoughtful artwork highlights the importance of saving lives through blood donation. Let's all come together for this cause and make a difference!

### RAISING THALASSEMIA AWARENESS THROUGH CREATIVITY!

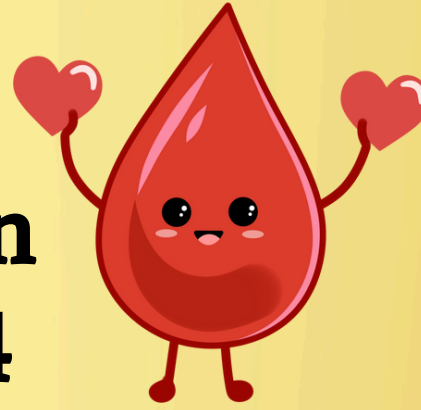

Kutiyana Memon Academy is set to organize its 9th Annual Thalassemia Blood Donation Camp on December 8, 2024, as part of its ongoing efforts to support patients affected by thalassemia. The event will provide an essential opportunity for the community to contribute to this life-saving cause, with each donation playing a crucial role in improving the lives of individuals who require regular blood transfusions.

This camp will not only raise awareness about thalassemia but also encourage community members to come forward and make a meaningful impact. The academy warmly invites everyone to participate and support this noble initiative.
