

THE ART OF SCRATCHBOARD

with LINDA LUNNON

Scratchboard or scraperboard, is a form of direct engraving where the artist scratches off dark ink to reveal a white or coloured layer beneath.

This workshop is an introduction to scratchboard techniques including stippling, hatching, fur textures etc. and is suitable for beginners to intermediate. All materials needed to create a small black and white scratchboard artwork are included in the workshop price.

Materials include:

- A4 white transfer paper
 - A4 scratch paper for practicing
 - 5"x7" ampersand scratchboard
 - ampersand scratch tool
 - tattoo needle
 - piece of fine grit sandpaper
 - black Pitt pen
 - mini (2.5"x3.5") clayboard
- reference material including info on techniques, examples of work by various scratchboard artists and reference photo options for their 5"x7" work.

Optional to bring: (large soft brush, e.g. make-up brush, to brush away clay as you scratch).
