

## **‘The Kitchen Drawer’ A Junk Journal Workshop**

**with Kathie Sarginson & Lisa-Maree Hardy**

This workshop is a collaboration between two local artists who love creating **handmade journals**, especially with a range of **found and recycled materials**.

**If you love recycling – renewing – reusing**, then let us show you how transform a range of papers and packaging that would normally be tossed in the recycling bin into a unique one-of-a-kind journal.

We will walk you through each stage of the process and at the end of the workshop, you will come away with a journal that we know you will love and want to use regularly.

The only things that you need are a few basic sewing skills and a sense of adventure as we will provide everything else!

**Date: Tuesday 23 February 2021**

**Time: 10 – 3pm**

**Cost \$100 (Inc. ALL MATERIALS & LIGHT LUNCH)**
