OPEN THURS—SUN 9am to 5pm

The aim of our gallery is to encourage creativity, to connect, inspire and empower the creative community

The Hunter Artisan Gallery & Café is a permanently-housed artisan collective, featuring the works of some 60 plus independent makers from across the Hunter and surrounding area. We have between 150 and 160 works adorning the walls of the gallery. These works change on a regular basis, so there is always something new to discover.

'Our aim is to encourage creativity, to connect, inspire and empower the creative community; this is our simple philosophy and at the heart of what we do.'

The small Gallery Café has a very simple menu of hearty home-style meals. We don't do 'fast food'..nor do we 'do food fast'...we encourage our patrons to take the time to stop in a busy world, to appreciate our beautiful space, to talk to each other and most importantly to appreciate themselves. The premises is fully-licensed and we offer a small range of Hunter wines.

The building, located at 48 Melbourne St, East Maitland (the former George and Dragon Inn, originally built in 1837) is unique and beautiful and filled with a history that spans across 180 years.
