**POLICE OFFICERS ENDORSE RON JACOBSON IN RACE FOR POST FALLS
MAYOR, ISSUE VOTE OF NO CONFIDENCE IN CANDIDATE SCOT HAUG**

POST FALLS, Idaho - The Post Falls lodge of the Fraternal Order of Police is proud to endorse Ron Jacobson for re-election to the office of Mayor. The lodge held a forum with the three announced candidates and the lodge unanimously voted to endorse Ron Jacobson.

Ron has years of experience leading the City of Post Falls and he has always made public safety his top priority, which has led to low crime rates. The lodge believes that quality police departments only exist in places where communities support them and where city leadership make public safety a priority. One only has to look at Portland or Seattle to see how police departments struggle when their city leaders fail to provide good leadership. Post Falls is truly lucky to have Ron as our mayor. Over the years, he has consistently had our back. In this election, we have his.

In conjunction with our endorsement, the lodge has also taken the unprecedented step of issuing a vote of no confidence in mayor candidate Scot Haug. Our membership is made up with many police officers that worked for Haug during his term as Chief of Police and we do not feel that Haug is the right leader for our city.

The Post Falls lodge of the Fraternal Order of Police is composed of law enforcement officers in North Idaho. The lodge is not a union or collective bargaining unit; rather, it is a fraternal organization that provides support to law enforcement and community charity programs.
