

Make your
own

CHRISTMAS DECORATION

What you will need..

Popsicle Sticks (we used colored ones but plain would work too, you would just need to paint them)

Tacky Glue

Glue gun with warm glue sticks

Christmas Bells

Glitter

Glitter stickers

Fabric or card snowflakes

Pom Poms

Twine for hanging

Steps to make.....

- 1... First you need to paint your Popsicle Sticks if you don't already have colored sticks. We started with colored sticks which make it much easier to create! But painting can also be part of the fun too so you could easily get plain popsicle sticks and paint them whatever color you like!
- 2... Next you need to hot glue your popsicle sticks together. Forming the shape of the snowflake, put a small bit of hot glue in between each popsicle stick. Once done, add a bit of hot glue to the back and add your twine for hanging. Adults should do this part. You can get the snowflakes ready and then kids can do the decorating!
- 3... Now is the fun part! Time to decorate with what you have and hang on your Christmas tree
