

To Our Family of Friends and Clients,

While we do love to see all of you, as the coronavirus (COVID-19) situation continues to evolve, we have decided to restrict lobby service at all offices. **We will still be here to continue providing you a full range of Insurance and Financial Services during this temporary lobby restriction.**

We will provide in-person access to our staff by appointment.

We will resume full operations at each location as soon as possible based on the guidance from applicable state and federal public health authorities.

Please reach out to us by phone, fax, email or text messaging. For your convenience our contact information is below.

Best of health,
Jim Lutes and Staff
