9th EDITION 2nd Game of the Year

September 11, 2024

The Roaring Lions Tackle Football Club (1-0) laced it up for the second game of the year against the Allen LoneStars (0-1). The weather was perfect for the night matchup as rainstorms cleansed and cooled down the weather for tonight's game. The game was a well fought battle between the 2 squads. The offense and the defense struggled to formulate a successful drive in the first quarter. However, the defensive end for the Lions penetrated numerous times in the backfield of the offense stalling any successful drives.

The Lions' offense began to click in the 2nd quarter. The quarterback was able to tear off a 13- and 25-yard run down the left sideline to penetrate the red zone of the opposing defense. The Lions' offensive line opened running lanes for the running backs, and they were able to coast in for the first touchdown of the night. The LoneStars' defense was able to hold them on the 2-point conversion and the halftime score was 6-0.

The Roaring Lions Tackle Football Club went on a rampage on offense with a 34-yard touchdown run by one of their speedy running backs. The next play the football was punched over the goal line. With hard nose and stellar defense, the LoneStars could not make a first down on consecutive drives.

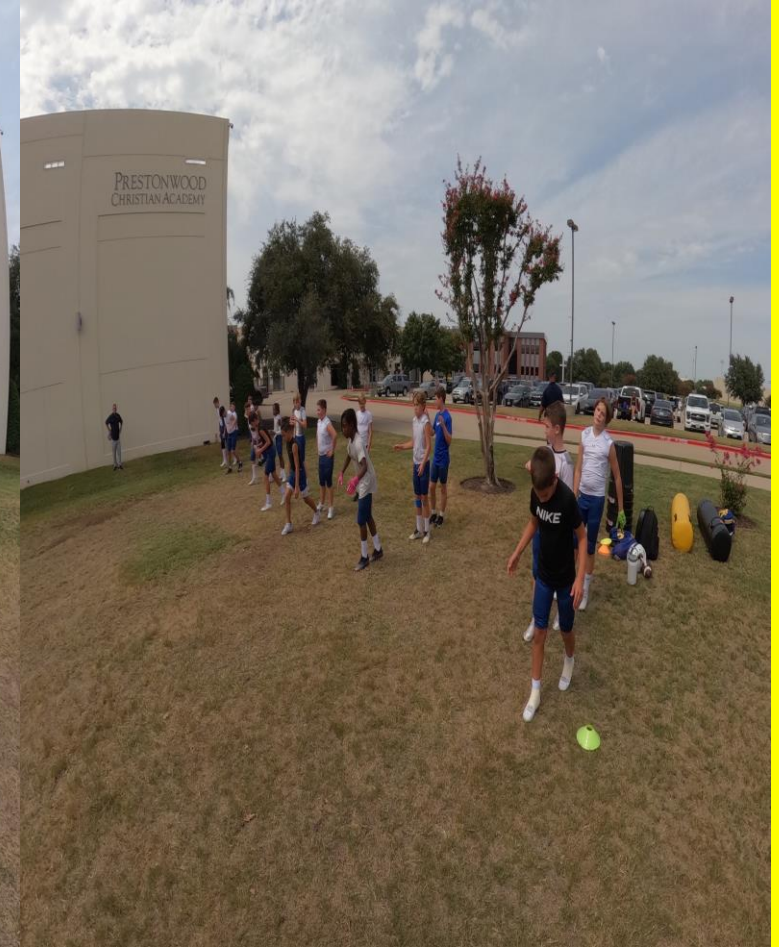

The Lions' offense was not done adding to their lead in the 3rd quarter with 2 big runs and then they cashed in for their 3 touchdown of the night extending the score to 20-0. It was all defensive stops for the Lions' Doomsday Defense. A sea of blue and gold covered every inch of the artificial turf, and the visiting team could only muster up 1 first down in the second half.

The Roaring Blue and Gold's offense had to get one more score before the ref blew the whistle to end the game. With a consistent running attack, they marched down the field to victory. The drive ended with a 5-yard pass to the tight end sealing the game 28-0. it was another victory for the Roaring Lions Tackle Football Club. Both teams prayed and celebrated a hard-fought battle between the football teams. This is Todd Prince, Beat Reporter for the team and I am signing off till the next game against the Highland Park Cowboys.
