10th EDITION 3RD Game of the Year

September 14, 2024

Hello Sports Fans, it is another scorching sunny Saturday in Texas, but the Roaring Lions Tackle Football Club is ready to continue their winning streak. Today's opponent is the Highland Park Cowboys (1-0) against the Roaring Lions (2-0). This should be a clash of the titans as both teams are undefeated and one team will go home with a loss on their record. The Cowboys started the game off on offense first but were shot down by the Lions' Legion of Boom defense.

On their first offensive series, the Lions roared down the field with a 24-yard run by the quarterback and the drive was finished off with a touchdown run by the running back. The score was 8-0 at the end of the 1st quarter. The Lions' offense was on fire as the running back tore off a 40-yard touchdown run to increase their lead. HP Cowboys' offense couldn't gain an inch in the 2nd quarter and the score was Lions 16 and the Cowboys 0 at halftime.

The Lions' running backs continued to dominate in the second half with a 11 and 54-yard touchdown runs while the defense continued to penetrate the offensive line of the Cowboys causing havoc on every offensive play. The linebacker for the Lions was able to force a fumble with a bone cracking hit to the Cowboys' running back.

On the next defensive series, the Lions' franchise cornerback leaped over the wide receiver and made a miraculous interception which put the nail in the coffin for the Cowboys' offense. The defense continued their carnage with 2 more sacks to end the next 2 offense series for the Cowboys. The Lions' offense was not done for the game as the quarterback jetted down the left sideline for a 56-yard touchdown and increased their lead to 30-0.

As the clock continued to tick down, there was a bright spot for the Cowboys as their defensive end was able to get his hands on the Lions' quarterback pass and scampered down the field for the Cowboys only score of the game and they were successful on the 2-point conversion. The final score was Lions (3-0) 30 and the HP Cowboys (1-1) 8. As a beat reporter, the talent of the Lions reminds me of the 1985 Bears and the 2000 Ravens. They are dominate on both sides of the ball and have cohesiveness as a team. This is Todd Prince, Beat Reporter for the Roaring Lions signing off and will see you at next week's game against the Wild Dawgs.
