11th EDITION 4th Game of the Year

September 21, 2024

Well football fans, it is a very hot and humid Saturday for the fourth game of the season for the Roaring Lions Tackle Football Club (3-0). Today's opponent is the Allen Wild Dawgs (1-1). The opponent today only has a 1-point differential in their first 2 games whereas the Roaring Lions has a 90-point differential and are eager to continue their 3-game winning streak. On a bad note, one of the Lions' players suffered a strain to his abductor muscle and will not be available for today's game.

Although the Wild Dawgs seemed to be overmatched statistically, they are amped up to take on the 1st place Lions. The Lions received the football first. Both teams seem to be very equal in size and strength and this should be a well-matched game. On the first series, yardage was hard to come by for the Lions and they were forced to punt. The same scenario occurred for the Wild Dawgs as the Lions were able to tame their offense on the first series.

ROARING LIONS TACKLE FOOTBALL CLUB NEWSLETTER

Both teams battled one another in the first quarter and neither team was able put together a successful drive to put points on the scoreboard. During the second quarter, the Lions' quarterback suffered a minor injury to his elbow but continued to push forward and play out the first half. Neither team's offense could get hot due to the defenses of both teams and the score was deadlocked at 0-0 at halftime. Both team's coaching staff need to give the boys motivational pep talks during the intermission if the teams expect to cross the goal line to break the score gridlock.

The third quarter was exactly the same for both teams as they battled for a touchdown to break the game's scoring drought. Again, during the third quarter, the Lions' quarterback was forcefully hit on his throwing elbow during a bootleg run, and he was forced to come out of the game. This was a major blow to the Roaring Lions Tackle Football Club. Both team's offense continued to stall, and no team was able to put any points on the scoreboard.

In the 4th quarter, the Wild Dawgs' quarterback was able to connect to his receiver downfield for a big game. Three plays later the running game was able to move the football past the goal posts to give the Dawgs a 7-0 lead. The following series the Lions were able to tackle the ball carrier in the end zone for a safety. With 2 minutes remaining in the game, the Lions pushed the ball down to the third yard line of the Dawgs. They were unable to score before the buzzer sounded and the final score was Dawgs 7 Lions 2. It was the first loss of the season, but the Lions remain in 1st place and control their destiny to the payoffs. This is Todd Prince, Beat Reporter for the Lions signing off and see you next week at the Highland Park Frogs game!!
